#### Student Presentation – Mrs. Walters, Circle of Peace School

2nd grade teacher Mrs. Walters and some students from her class offered a presentation on their project to join with the Circle of Peace School in Uganda. Since many children in Uganda cannot afford to attend the government school, FCS students wanted to help by assisting them with tuition to attend the Circle of Peace School. Mrs. Walters gave a brief description of the project and described how students helped raise money through the non-profit organization “Givology.org”. Several students present described why they enjoy helping children in Uganda saying “we do it because it’s the right thing to do” and “we can help”. Many elementary FCS Students participated in projects such as reading sponsorship, tee-shirt sales, and a craft sale to raise funds. Mrs. Walters was glad to announce that a total of \$2,249.00 was raised and that some of the funds would be used to purchase a copy machine for the Circle of Peace School, allowing more students to have access to class materials. Other funds will be used to sponsor specific children to attend the school that would not otherwise have the chance to attend due to financial hardship. Thank you 2nd graders for your compassion and caring and for the great job helping students around the world get quality education.

#### Comments from Visitors

Leon Mast, representative for the Fillmore Faculty Association, read a statement regarding a concern that the faculty wanted to express.

#### Superintendent’s Report

Principal Faulkner reported that many classrooms are in the midst of required NY State standardized testing and that some classes may also be required to engage in field tests as well. He also reported that the annual High School Honors Assembly will be held on May 24 at 8:45 am and that plans continue to be made for the graduation ceremony for the Class of 2011, held on June 24 at 7:00 pm.

Superintendent Cox gave his report highlighting the following:

- On May 12, some students in the elementary wing were relocated to other parts of the school due to an odor that was evident in that portion of the building. Investigation revealed that there was leakage from the grease trap located in the courtyard area adjacent to the cafeteria. CA BOCES safety engineers and the Allegany County Department of Health were contacted. Representatives assessed the problem and determined that the building was safe for occupancy. The odor persisted on May 13, and workers from MKS Plumbing worked to repair leaks in the grease trap, and on May 14, the separator tank was pumped. Continued observation of the tank is necessary and the odor should subside. A problem with a sump pump in the basement was also discovered; with discussion on ways that this problem should be addressed.
- Mr. Cox reported that on May 16, the NYS Board of Regents adopted a policy for a teacher and principal evaluation system. The regulations are required by legislation that was enacted last year and will go into effect for the 2011-2012 school year. The system will result in a single composite score based on 20% from student growth, 20% from locally selected measures and 60% from other measures of teacher/principal effectiveness. State approved tools for local Districts should be available later this summer.

- Mr. Cox presented a proposal submitted by Mrs. Woltag for six FCS students to attend the Junior Academic Championship on June 3-5 in Washington, DC. They qualified for this competition due to a 2<sup>nd</sup> place finish at the Academic Quiz Tournament held a JCC on March 12. Due to the lateness of the request, no prior arrangements had been made for financing, transportation or accommodations for this trip. Mr. Cox was able to discuss the proposal with members of the Administrative team and approached the Student Council advisor proposing they partner with the District to provide for all financing. The Student Council approved supporting the trip by providing \$687 for lodging with the District financing the \$700 for the entry fee and providing transportation. Mrs. Woltag and Mr. Kelley will be chaperones for this trip.
- Spring Concerts were held on May 4 and May 17 and the 23<sup>rd</sup> annual Dessert Theater will be held June 3 and 4 in the small gym. Tickets are \$8.00 ea. and are available in the grade 5-12 office.

Junior National Academic Championship Trip, Washington, D.C.

A motion was made by Bennett, seconded by Dean, to approve a trip for the Fillmore Central School Scholastic Challenge Team (6 students) and chaperones (2) to the Junior National Academic Championship in Washington, DC, June 3-5, 2011. The District will pay the \$700 entry fee and provide transportation. The Middle School Student Council has agreed to cover lodging fees estimated at \$687.
