Form Due May 8, 2023

2023-2024 Salary Threshold = \$162,000

Each sharing district should identify in the form the other district(s) with which they will be sharing administrative staff for school year 2023-2024.

If you will be sharing a <u>Superintendent</u>, list the other district (or districts) in the text box. If you will be sharing other administrative staff required to be reported, please send an email to <u>EMSCMGTS@nysed.gov</u> indicating the title of the staff persons(s) as well as the other district(s) involved in the cost-sharing.

The salaries, benefits and other compensation reported in the form should reflect <u>only</u> the financial support or commitment that <u>your</u> district will be making. They should **not** reflect the <u>total</u> amounts budgeted to be paid by all participating districts over the school year.

FILLMORE CENTRAL SCHOOL - NEW YORK STATE REPORT CARD [2021 - 22]

The New York State Report Card is an important part of the Board of Regents' effort to create educational equity and raise learning outcomes for all students. Knowledge gained from the report card about a school or district can be used to improve instruction and inform services to students. The report card provides information to the public on school/district staff, students, and measures of school and district performance as required by the Every Student Succeeds Act (ESSA). Fundamentally, New York State's ESSA plan is about creating a set of interlocking strategies to promote educational equity by providing support to districts and schools as they work to ensure that every student succeeds. New York State is committed to ensuring that all students succeed and thrive in school no matter who they are, where they live, where they go to school, or where they come from.

2022-23 ACCOUNTABILITY STATUS AND SUPPORT MODEL BASED ON 2021-22 DATA

Due to COVID-19 and changes to New York State accountability and federal reporting requirements, 2022-23 accountability statuses and support models were determined using a modified methodology.
