## THANK YOU FILLMORE! 02/25/2019

In my brief time as the 5-12 Principal, I am consistently in awe of the altruistic nature of the staff, students, and community of Fillmore. Over the last several months, our students, staff, and community have taken part in countless volunteer opportunities including, but not limited to:

- Red Cross blood drives
- Collecting over 169 mittens for children in the community
- Providing 106 local children presents through the Secret Santa Program
- Delivering baked goods to local businesses and the elderly
- Creating Buddy Benches for local schools
- Crafting blankets for local hospitals

These accomplishments would not, however, be possible without the involvement of community members like you. Through your donations, time, and mentorship, the staff and students of Fillmore have made great strides in helping support those most in need.

I want to thank everyone who has made these opportunities possible. I am so proud to be a part of an organization and community that supports others through their time, financial contributions, and mentorship. Our students are lucky to have selfless community members like you.

Thank you for all you do to make Fillmore a better place to learn, live, and grow!

*Joe Moynihan*
