March 27, 2024

Dear Parents/Guardians,

As you may be aware, schools across the state are facing challenges in hiring an adequate number of bus drivers. Despite the commendable efforts of our dedicated employees and drivers at the bus garage, we may encounter difficulties in maintaining our bus runs when we return from Spring Break on April 9th.

While we have been fortunate to avoid significant disruptions to this point, we want to ensure that our families are prepared for any changes that may arise. Moving forward, if we experience a shortage of drivers, at any point for the remainder of the year, we will implement a second bus run.

If your child's bus is delayed either in the morning or afternoon, we will promptly notify you using the robocall system. Our technology department has created rosters for each of our morning and afternoon runs using the current data stored in our PowerSchool system. To ensure that you receive these notifications, we encourage you to verify and update your contact information in PowerSchool if necessary.

Additionally, we will post this information on both our websites and Facebook page for you to reference. Should you have any questions or concerns, please reach out to Mr. Potter at our transportation department.

We appreciate your cooperation and understanding as we work to minimize disruptions and ensure the continued efficiency of our transportation department.

Thank you for your continued support!

Sincerely,

Michael Dodge
Superintendent
Fillmore CSD
