3:15-4:30

Late bus 4:30

## TRAILBLAZERS- MONDAY

ROOM C124

This club is dedicated to immersing you in the wonders of nature and the great outdoors! One of our exciting long-term goals is to develop interpretive trails behind the school. This project will involve a range of activities including cleanup efforts, construction work, identifying local trees and plants, and creating informative signage for our trails. We envision these trails as a resource for people of all ages to explore and enjoy. If you have a passion for nature and are eager to learn more about it while testing your survival skills, this is the club for you! We use trail cams to monitor the wildlife that visits our trails, and we have a rock tumbler for polishing rocks and gems. Additionally, we offer field trips and various volunteering opportunities. Join us to deepen your appreciation for nature and gain hands-on experience in environmental stewardship!

## GAMING CLUB-TUESDAY'S

ROOM C124

Level up your fun with our Gaming Club! Whether you're a fan of video games, board games, or role-playing adventures, this is the place for you to Connect with fellow gamers, dive into the world of video games, and explore classic board game favorites.

We'll also embark on epic quests with Dungeons & Dragons and other role-playing games, where you can craft characters, build worlds, and experience immersive storytelling. Join us for multiplayer battles, board game tournaments, game design sessions, and thrilling RPG campaigns.

Discover new strategies, create your own games, and enjoy friendly competition. Whether you're into digital adventures, classic tabletop challenges, or epic role-playing scenarios, there's something for everyone. Ready to join a community where your love for all types of gaming takes center stage? Come game with us and let's make every session an adventure!

## FAB LAB- WEDNESDAY'S

MRS DURRIGAN IN ROOM C124 & MRS SANASITH IN ELEMENTARY LIBRARY

Who says entrepreneurship can't be fun? In this club, we're diving into the exciting world of starting a business and being your own boss. You'll have the chance to share your creative ideas and learn the essentials of self-sufficiency. Everyone loves making money, so we'll focus on strategies for earning—and keeping—it!

Our long-term goal is to establish a student-run school store. We'll handle everything from marketing and budgeting to production and development. We'll also explore local businesses, studying their growth and the challenges they've faced compared to those in other areas.

In addition to hands-on projects, we'll have pitch competitions, explore job opportunities, and take field trips. This is your chance to become an entrepreneur, from conceptualizing a product to seeing it through to sales.

We also have a variety of supplies to support your creative ideas. Our crafting toolkit includes materials for making soap, candles, epoxy items, jewelry, and custom bags. Plus, we have a Cricut machine for even more crafting possibilities. We'll be participating in craft shows and other events to showcase and sell your creations.

## FILLMORE EATS- WEDNESDAY'S

MRS SCHAFER IN THE CAFETERIA

Welcome to Fillmore Eats, where creativity meets culinary skills! Join us for a delicious journey as we explore diverse cuisines, learn essential cooking techniques, and create mouthwatering dishes together.

Whether you're a seasoned chef or just starting out, everyone is welcome! Each month, we'll tackle new recipes, from savory entrees to delectable desserts. Members will also have the opportunity to collaborate on special projects, such as school events, themed potlucks, and community service meals. At the end of each month, there will be a family dinner, hosted by the students where parents and caregivers are invited to take part in a themed family dinner made for the by their children!

Not only will you develop your cooking skills, but you'll also make friends, share your love for food, and have fun in a relaxed and supportive environment. So, grab your apron and join us for tasty adventures in the kitchen! Let's cook up some fun!

## VIBE TRIBE-THURSDAY'S

MS HARRINGTON IN ROOM B209

Explore your artistic side with us! This club is all about discovering new artistic skills and expressions while promoting positivity throughout the school and community. Dive into ceramics, painting, Cricut design, and a variety of other media. We'll also go on exciting field trips to fuel your creativity and inspire new ideas.

Our goal is to infuse our school environment with artistic positivity, and we're eager to see what you can bring to the canvas. Whether you're a seasoned artist or just starting out, there's a place for you here. Share your ideas, explore different techniques, and let your creativity shine. I can't wait to see how we can make our school more vibrant and inspiring together!
