From the Principal

Spring has brought a wonderful change in beautiful weather! Our classes have enjoyed being able to go outside more frequently over the last week.

May also brings about busy schedules for families with Spring sports and family fun. Please remember it is important for our kids to have a regular routine (as much as possible) to get through the end of the school year. Even though it is daylight longer, it is important for students to continue to have a regular bedtime so they are rested and prepared to do their best in school.

As always, do not hesitate to contact me with any concerns.

Important Reminders

Excuses

Please remember to send in excuses whenever your child is absent, late, or leaving school early. Please remember to write your child's full name on excuses.

Agenda/ Book Bag

With all of the fun events planned for the end of the school year it is important for families to check each child's agenda and/or book bag for notes every day. Teachers use these tools to communicate upcoming events and any changes to a child's normal routine. Thanks for your help!
