

We are asking you to help us preserve the quality of education at Fillmore Central School, by contacting your elected officials and asking them to tell the Governor to stop playing politics with your child's education. In addition to asking the Governor to fully fund schools, ask elected officials to leave the evaluation of educational practices to local school boards, superintendents, principals, and teachers. In the interest of your children's future education at Fillmore Central School please contact those representatives listed below.

Cathy Young- cyoung@senate.state.ny.us

Phone: 716-372-4901

Fax: 716-372-5740
