Open House is scheduled for October 13, 2016. The Open House for grades Pre-K-6 is from 6:00-7:30. Open House for grades 7-12 is from 6:30-8:00. This is always a great event for families. Students and teachers prepare numerous projects to demonstrate what they have been doing at the beginning of the school year. I hope to see you there!

Fire Prevention Week

Fire Prevention Week is October 9-15. Mrs. Anderson will be working with students in grades PK-6 to learn about fire safety when the students are in the library. This is a great time of the year to make sure your

family has an emergency evacuation plan and that everyone in the family knows what to do in case of an emergency. I want to thank the Fillmore Fire Department for providing our students with an opportunity

to learn about fire equipment during fire prevention week!

NED Show & Growth Mindset

The NED Show is a character education program that centers around three important messages that have life long relevance:

Never give up
Encourage Others
Do your best

During the assembly students learned about NED's three messages while enjoying storytelling, magic, humor, and yo-yo tricks!

In the assembly, every child was asked to think of two things that they want to be a champion at. The below activity helps you and your child work together to accomplish their champion goals by identifying important and achievable steps and develop a growth mindset.

In school, I can be a champion at _____.

To be a champion like that, I will do my best to

_____ by the end of today.

_____ by the end of this week.

_____ by the end of this year
